
Appointment of Non-Executive Director Mr Andrew Knox

Rimfire Pacific Mining NL (ASX code "RIM" or the "Company") is pleased to advise that Mr Andrew Knox has joined the Rimfire Board as a Non-Executive Director effective today.

The appointment of Mr Knox to the board enhances the resource industry experience and skill base of the Company as it continues to pursue the regional discovery for large scale ore bodies within the broader Fifield area and the monetisation of the Sorpresa gold and silver discovery to provide a positive cash contribution to the business.

Mr Knox has over 35 years of experience in the oil and gas and mining industries. He has worked extensively throughout Australasia, South East Asia and North America with several entities. Mr Knox has significant experience in financial and commercial activities, involving acquisitions, M&A and strategy. He is a chartered accountant (CA ANZ), public accountant (CPA Australia) and a fellow of the Australian Institute of Company Directors (FAICD). He holds a Bachelor of Commerce degree from the University of Western Australia. Mr Knox was formally a Non-Executive Director of Rimfire from 2005 to 2011. Currently Mr Knox is the CEO and Managing Director of ASX listed company, Red Sky Energy Ltd.

Chairman Ian McCubbing stated:

"On behalf of the Directors and shareholders, I would like to welcome Andrew back to the Board and we look forward to the guidance and advice he will bring to the Company.

Andrew's understanding of the resource industry and regular interface with the resource financial community will be of significant benefit to the Company as we continue our pursuit of discovering a large ore body and the monetisation of Sorpresa."

ABOUT RIMFIRE

Rimfire Pacific Mining (RIM) is an ASX listed resources exploration company with its major focus at Fifield in central NSW, located within the Lachlan Transverse Zone (LTZ). In 2011 the Company made a greenfields discovery, named “Sorpresa”, announcing a JORC Inferred and Indicated Maiden resource in 2014. The information provided in “About Rimfire” is available to view on the company’s website: [ASX Announcements](#).

Rimfire is exploring for a major copper / gold or gold mineralised system such as at Northparkes (Cu/Au) or Cowal (Au) on 915km² of Exploration Licences 100km west of Parkes in central NSW. Multiple prospects with potential for further gold discoveries exist in the area around Sorpresa which are part of Rimfire’s 681km² contiguous tenements. Rimfire also holds two exploration licences covering 234km²; located 40 to 60kms south of the Fifield Project, in a prospective area now part of a moratorium associated with the MinEx Cooperative Research Centre program (minexrc.com.au)
