EXPLANATORY STATEMENT

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2018 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9620 5866, and you may request that this occurs on a standing basis for future years. Alternatively you may access the Annual Report at the Company's website: www.rimfire.com.au or via the Company's announcement platform on ASX. Except as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2018 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Board encourage all eligible shareholders to cast their votes in favour of Resolution 1. The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 1.

Voting Exclusions

The Company will disregard any votes cast on this resolution (in any capacity) by or on behalf of a member of the Key Management Personnel (being those persons described as such in the Remuneration Report) or a closely related party of such a member unless the vote cast as proxy for a person entitled to vote in accordance with a direction on the proxy form.

Any undirected proxies held by Directors or other Key Management Personnel or their closely related parties for the purposes of Resolution 1 (excluding the Chairman) will not be voted on Resolution 1. Accordingly, if you intend to appoint a member of Key Management Personnel as your proxy, please ensure that you direct them how to vote. If you intend to appoint the Chairman of the meeting as your proxy, you can direct him to vote by marking the box for Resolution 1. By marking the Chairman's box on the proxy form you acknowledge that the Chairman of the meeting will vote in favour of this item of business as your proxy.

Resolution 3: Approval to Issue Rights Issue Shortfall Shares and Options to a Director – Mr Ian McCubbing

Background

On 4 October 2018, the Company announced its non-renounceable 1 for 4 Rights Issue at \$0.009 (0.9 cents) per new Share, with 1 free attaching new option for every 1 new Share subscribed for and issued exercisable at \$0.022 (2.2 cents) on or before 1 May 2020 (**Offer**), to raise approximately \$2.1 million before costs.

Mr Ian McCubbing is a current Director of the Company. Mr McCubbing (or his nominee) wishes to participate in the Rights Issue Shortfall (if applicable) and subscribe for up to a total of 4,338,000 New Shares at an issue price of \$0.009 (0.9 cents) per Share and up to a total of 4,338,000 New Options.

Listing Rule 10.11 provides that the Company, as an ASX listed entity, must not issue equity securities to a related party without Shareholder approval.

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules includes a director of a public company, a person that was a related party in the previous 6 months and a person whom there is reasonable grounds to believe will become a “related party” of a public company in the future. Given that Mr McCubbing is a current Director of the Board, he is a “related party” of the Company for the purpose of the Corporations Act and the Listing Rules.

For the purposes of Chapter 2E of the Corporations Act, the issue of securities to Mr McCubbing (or his nominee) constitutes the giving of a financial benefit to a related party.

The Board believes that the issue of these New Shares and New Options to Mr McCubbing (or his nominee) falls within the “arm’s length terms” exception set out in section 210 of the Corporations Act, as Mr McCubbing is proposing to participate in the Offer on the same terms offered to all other non-related investors who will be invited by the Company to subscribe for Shares under the Prospectus.

Accordingly, specific Shareholder approval for the issue of these New Shares and New Options to Mr McCubbing (or his nominee) is only required under Listing Rule 10.11. Furthermore, if approval is given for the purposes of Listing Rule 10.11, Shareholder approval is not required under Listing Rule 7.1, as the Company relies on Listing Rule 7.2 (exception 14).

ASX Listing Rules

ASX Listing Rule 10.11 provides, in summary, that a listed company must not, subject to specified exceptions, issue equity securities to any of the following without the approval of holders of ordinary securities:

- (i) a related party; or
- (ii) a person whose relationship with the entity or a related party is, in ASX’s opinion, such that approval should be obtained.

As Mr McCubbing is a current Director of the Company, Mr McCubbing is deemed by ASX to be a person within the meaning of paragraph (i) above.

ASX Listing Rule 10.13 requires that the following information be provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 10.11 for Resolution 3:

- (a) the New Shares and New Options will be issued to Mr Ian McCubbing (or his nominee);
- (b) the maximum number of New Shares and New Options to be issued to Mr Ian McCubbing (or his nominee) is 4,338,000 New Shares and 4,338,000 New Options, respectively;
- (c) the New Shares and New Options will be issued not later than one month after the date of the Annual General Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that allotment will occur on one date;
- (d) the New Shares will be issued at an issue price of \$0.009 (0.9 cents) per Share. No consideration will be paid for the issue of the New Options as they are free attaching.
- (e) The New Shares will rank equally in all respects with the existing Shares on issue in the Company, and the New Options will be issued on the terms and conditions set out in Schedule 1 to this Explanatory Statement; and
- (f) the funds raised will be used to continue its work programs at Fifield and for general working capital purposes.

Directors Recommendations

The Board (with Mr McCubbing abstaining) recommends that Shareholders vote in favour of Resolution 3.

Voting Exclusions

The Company will disregard any votes cast in favour on this resolution by Mr McCubbing and any associates of Mr McCubbing.

However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Resolution 4: Approval to Issue Rights Issue Shortfall Shares and Options to a Director – Mr Andrew Greville

Background

On 4 October 2018, the Company announced its non-renounceable 1 for 4 Rights Issue at \$0.009 (0.9 cents) per new Share, with 1 free attaching new option for every 1 new Share subscribed for and issued exercisable at \$0.022 (2.2 cents) on or before 1 May 2020 (**Offer**), to raise approximately \$2.1 million before costs.

Mr Andrew Greville is a current Director of the Company. Mr Greville (or his nominee) wishes to participate in the Rights Issue Shortfall (if applicable) and subscribe for up to a total of 1,000,000 New Shares at an issue price of \$0.009 (0.9 cents) per Share and up to a total of 1,000,000 New Options.

Listing Rule 10.11 provides that the Company, as an ASX listed entity, must not issue equity securities to a related party without Shareholder approval.

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules includes a director of a public company, a person that was a related party in the previous 6 months and a person whom there is reasonable grounds to believe will become a “related party” of a public company in the future. Given that Mr Greville is a current Director of the Board, he is a “related party” of the Company for the purpose of the Corporations Act and the Listing Rules.

For the purposes of Chapter 2E of the Corporations Act, the issue of securities to Mr Greville (or his nominee) constitutes the giving of a financial benefit to a related party.

The Board believes that the issue of these New Shares and New Options to Mr Greville (or his nominee) falls within the “arm’s length terms” exception set out in section 210 of the Corporations Act, as Mr Greville is proposing to participate in the Offer on the same terms offered to all other non-related investors who will be invited by the Company to subscribe for Shares under the Prospectus.

Accordingly, specific Shareholder approval for the issue of these New Shares and New Options to Mr Greville (or his nominee) is only required under Listing Rule 10.11. Furthermore, if approval is given for the purposes of Listing Rule 10.11, Shareholder approval is not required under Listing Rule 7.1, as the Company relies on Listing Rule 7.2 (exception 14).

ASX Listing Rules

ASX Listing Rule 10.11 provides, in summary, that a listed company must not, subject to specified exceptions, issue equity securities to any of the following without the approval of holders of ordinary securities:

- (i) a related party; or
- (ii) a person whose relationship with the entity or a related party is, in ASX’s opinion, such that approval should be obtained.

As Mr Greville is a current Director of the Company, Mr Greville is deemed by ASX to be a person within the meaning of paragraph (i) above.

ASX Listing Rule 10.13 requires that the following information be provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 10.11 for Resolution 4:

- (a) the New Shares and New Options will be issued to Mr Andrew Greville (or his nominee);
- (b) the maximum number of New Shares and New Options to be issued to Mr Andrew Greville (or his nominee) is 1,000,000 New Shares and 1,000,000 New Options, respectively;
- (c) the New Shares and New Options will be issued not later than one month after the date of the Annual General Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that allotment will occur on one date;
- (d) the New Shares will be issued at an issue price of \$0.009 (0.9 cents) per Share. No consideration will be paid for the issue of the New Options as they are free attaching.
- (e) the New Shares will rank equally in all respects with the existing Shares on issue in the Company, and the New Options will be issued on the terms and conditions set out in Schedule 1 to this Explanatory Statement; and
- (f) the funds raised will be used to continue its work programs at Fifield and for general working capital purposes.

Directors Recommendations

The Board (with Mr Greville abstaining) recommends that Shareholders vote in favour of Resolution 4.

Voting Exclusions

The Company will disregard any votes cast in favour on this resolution by Mr Greville and any associates of Mr Greville.

However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Resolution 5: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of Resolution 5 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve Resolution 5, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of Equity Securities, Fully Paid Ordinary Shares and Unquoted Options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue 12 months before the date of issue or agreement:
- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (B) plus the number of partly paid shares that became fully paid in the 12 months;
 - (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
 - (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

Listing Rule 7.1A

The effect of Resolution 5 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 9 October 2018 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
 - The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - The Current Share Price is **\$0.008** (0.8 cents), being the closing price of the Shares on ASX on **9 October 2018**.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 5 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition), continued expenditure on the Company's current business and/or general working capital.

- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new businesses, assets or investments.

- (f) A voting exclusion statement is included in the Notice. At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this Notice.
